

Covenant of Mayors in Sub-Saharan Africa

Empowering cities
to overcome climate change

Covenant of Mayors
in Sub-Saharan Africa

GLOBAL COVENANT
of MAYORS for
CLIMATE & ENERGY

Climate change poses a serious threat to African cities. We, the Covenant, an Africa-wide network of mayors, have decided to take action.

Join our sessions to find out more:

- Finance for African cities: unlocking opportunities to enable resource flows for Sustainable Energy Access Climate Action Plans (SEACAPS)

Wednesday, 21 November

9.30 to 12.30

- The Role of National Associations in designing and implementing Climate and Energy Action

Wednesday, 21 November

2.30 to 5.30

- Sustainable Energy Access Climate Action Plans (SEACAPS) in Sub-Saharan Africa: What are the key ingredients?

Thursday, 22 November

2.30 to 5.30

Where? You can find the exact location for all sessions in the Africities programme.

Between sessions, come and talk to us at our **stand A57** in Africities exhibition hall.

Join the Covenant! Be part of the movement of mayors fighting climate change.

Project funded by the EU
